#### REMARKS/ARGUMENTS

The Notice of Drawing Inconsistency with Specification asserts that Figure 17 contained in the Drawings is not listed in the Brief Description of the Drawings in the specification. The Notice is traversed.

The Brief Description of the Drawings in the specification has been amended to add a description of Figure 17 after the description of Figure 16. The descriptions of Figures 3, 4, 14, and 16 are also amended *sua sponte* to correct inaccuracies in the descriptions and to correct typographic errors.

The amendments made herein add no new matter. Applicants submit that the amendments to the Brief Description of the Drawings resolve the asserted drawing inconsistency concerning Figure 17. Applicants request withdrawal of the Notice of Drawing Inconsistency with Specification.

Respectfully submitted,

IAN BODDY ET AL.
